Dear Prospective Sponsor:

Thank you for taking the time to read the about our youth baseball program and I would greatly appreciate your consideration for sponsorship. So that we may keep our fees low, we rely heavily on the generosity of our local businesses to help support our program.

Warren County Little League, established in 2003, is a competitive and recreational baseball association chartered by Little League International and rooted in the heart of Warren County. Our mission is to promote the game of baseball and provide a fun and memorable team experience for the youth and families of Warren County. To achieve our mission and support the annual growth of our league, we are reaching out to businesses within our community for assistance. All donations will go toward maintenance and improvement of our facilities, purchase equipment for our teams, and help to keep registration fees for our players at a minimal rate.

If you wish to participate, please complete the sponsor application provided and forward along with your contribution to the address below. In order to streamline the process, we are asking that all sponsorships be mailed to the address below. **Coaches and Board Members cannot accept your payment and paperwork.** Because we are a non-profit organization, contributions are **tax deductible**.
